***LINIC INDUSTRY | SINCE 2002***

**LINIC**  
INDUSTRY

**BEYOND  
THREADS  
- WE WEAVE  
TRUST**

Welcome to Linic Industry,  
where performance, precision,  
and passion come together to  
redefine excellence in sports-  
wear, activewear, and safety-  
wear.

*FROM SIALKOT  
TO THE WORLD*

2022

# ***THE YEAR OUR COMMITMENT TO QUALITY TOOK FORM.***

Founded in 2002 in the manufacturing heartland of Sialkot, Pakistan, Linic Industry quickly earned recognition for delivering high-quality, competitively priced apparel.

Initially focusing on the local market, the overwhelming response encouraged us to expand internationally.

**Today, we proudly serve a global clientele, offering an extensive range of Sportswear, Fitness/Activewear, and Safetywear.**

# **THE HEART BEHIND THE BRAND**

## **VISION**

**To become a global leader in high-quality apparel by delivering innovation, style, and protection for every passion and profession.**

## **MISSION**

**Our mission is fueled by a dedication to quality, ethical production, and a customer-first approach — because at the core of everything we create, is the belief that excellence should be worn.**

## **CORE VALUES**

**We value quality, integrity, innovation, and customer satisfaction — delivering reliable products through honest work and strong teamwork.**

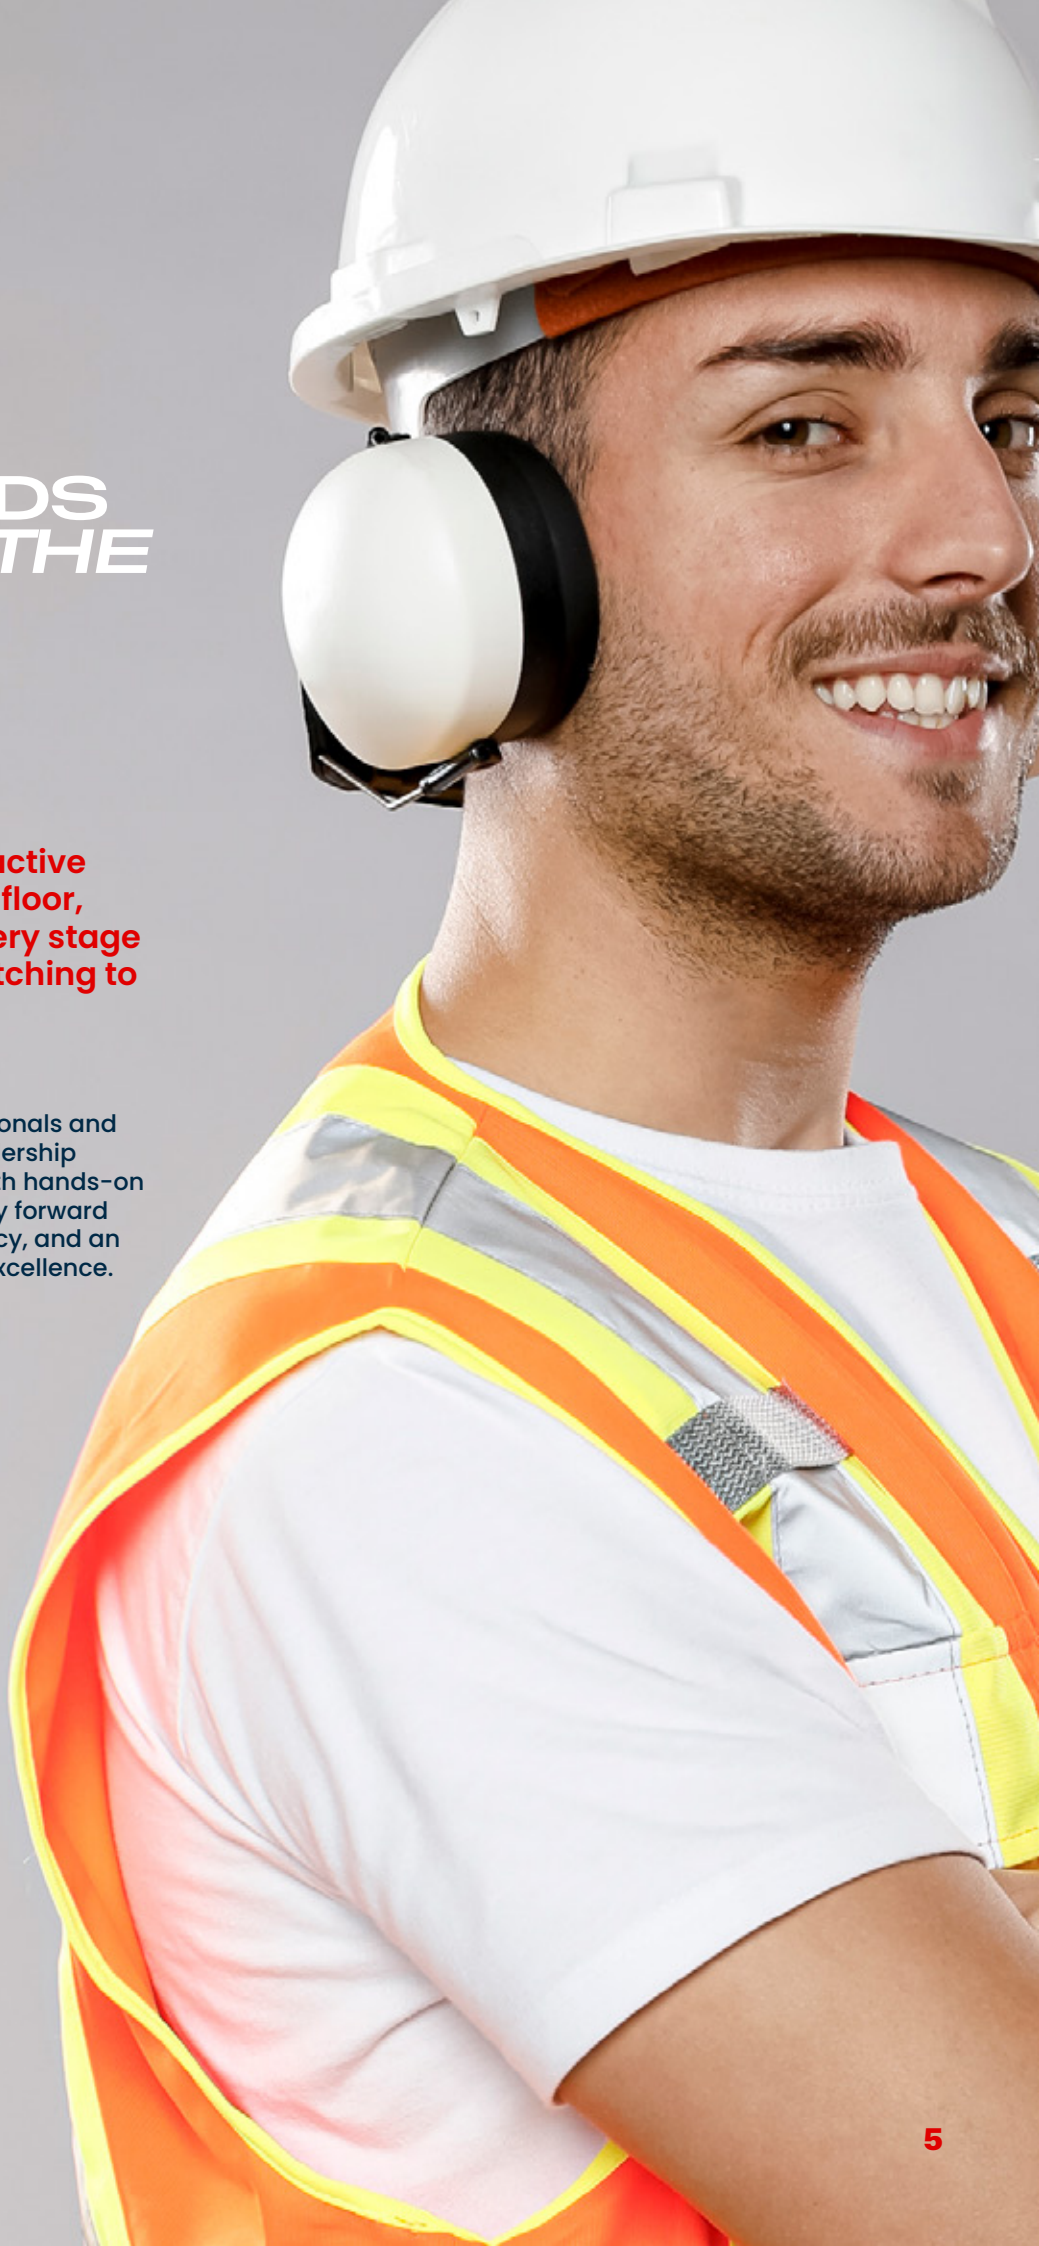

Leadership & Expertise

## THE MINDS BEHIND THE CRAFT

Behind every product at Linic Industry is a leadership team deeply rooted in experience, passion, and precision.

**Our director takes an active role on the production floor, ensuring quality at every stage — from cutting and stitching to final packaging.**

With a team of skilled professionals and dedicated craftsmen, our leadership blends industry knowledge with hands-on expertise, driving the company forward through innovation, consistency, and an unwavering commitment to excellence.

# INSIDE THE FABRIC OF INNOVATION

We take pride in our fully integrated, cutting-edge manufacturing facilities equipped to meet high-volume and custom production needs.

## KEY CAPABILITIES

- In-house Designing and Pattern Making
- Fabric Cutting with Precision Technology
- Advanced Stitching Units
- Customized Sublimation Printing and Embroidery
- Quality Control Laboratories
- Efficient Packing and Logistics Solutions

## FACILITY HIGHLIGHTS

- Modern machinery optimized for performance apparel production.
- Flexible production lines accommodating small batches to bulk orders.
- Skilled labor force with training in the latest manufacturing techniques.
- Environmentally conscious production processes.

Our ability to innovate while maintaining top-notch quality standards distinguishes us from the competition.

# CERTIFIED CRAFTSMANSHIP, GLOBAL STANDARDS

## COMMITMENT TO EXCELLENCE

At Linic Industry, quality is a continuous journey, not a one-time act. We maintain strict quality control protocols across the entire production lifecycle.

## QUALITY MEASURES

### Raw Material Inspection

Ensuring only premium fabrics and accessories are used.

### Inline and Final Inspections

Multiple quality checks throughout the production process.

### Performance Testing

Testing garments for durability, fit, and comfort.

## CERTIFICATIONS

**ACTIVE  
WEAR**

**PERFORMANCE  
BASE LAYER TOP**

Linic Industry's Activewear is built for motion and made for modern life — combining breathable, sweat-wicking fabrics with ergonomic designs that move as hard as you do. Whether you're training, running, or living on the go, our performance-driven apparel offers lightweight comfort, 4-way stretch, and athletic fit to keep you sharp and supported.
